

Pine Mountain Lake

19851 Pine Mtn Dr.
Unit 13, Lot 5

5 MINUTE WALK TO MARINA

A "cottage treehouse" is the best way to describe this charmingly detailed 2100 square foot home nestled in the forest. A bedroom and full bath on each of three levels plus a bonus room for sleeping, games or office provides lots of flexibility for guests, vacation rental, or just you! Extra tall sliding doors bring the views inside the living room and main floor bedroom. Big pantry/laundry room. VERY private deck in back. Slate rock lower exterior. Fully finished and deep double garage with inside stairway to kitchen. Circular paved driveway. Built in 1995 and beautifully maintained.

You must see it to appreciate how secluded it feels—
the back yard is like camping in Yosemite!
