

WHAT CLIENTS SAY

Testimonials from Groveland Real Estate Sellers about Lauree Borup

"Lauree is the finest real estate professional you will ever find! She conducts her business with the utmost intelligence, honesty and integrity and is very successful in handling difficult transactions. The sale of my Mother's home in Pine Mountain Lake was fraught with problems, including several surprise expensive repairs. She handled each situation with expert negotiating skills which ultimately finalized the sale. In the end, we received a very fair price due to Lauree's years of expertise and superior ability in dealing with the real estate market.

We thank you from the bottom of our hearts!"

The Gettys Family, Sellers of Pine Mountain Lake house

Budd Shellard, Seller of Pine Mountain Lake house

"Everything of which I had some doubtful thoughts were courteously and carefully explained. If a situation should ever arise that I would again have real estate dealings in Groveland, Lauree would be my representative."

Ted Carlsen, Seller of Pine Mountain Lake townhouse

"Lauree completed the sale of our home in 2009 to our complete satisfaction. We were very pleased with the way the transaction was handled from the beginning to the end. When listing the property she gave us fine advice on preparing the house for showing, with handling any needed repairs, "staging" the house inside and out, and arriving at a fair price in the current market. She also prepared information regarding comparable homes on the market. She prepared a very comprehensive and eye-appealing brochure and on-line site with many good photos of the house and surroundings. A Realtors Open House was held promptly. The house was shown many times. We reduced the price as the market dropped and then received an acceptable offer. Lauree then guided us very well through the negotiations of counter-offers and closing negotiations. This is the second time Lauree has handled a real estate transaction for us, and we would not hesitate to have her represent us again."

Fred and Harriet Causey, Sellers of Pine Mountain Lake House

"Wow, a gargantuan task completed!

I had my doubts about ever getting the mine property sold with all of the drawbacks and complications it had. But, you handled it with tenacity and expertise that I really appreciated. It has been a pleasure dealing with you and having such a conscientious realtor! I've probably made my last trip to Groveland, but I just wanted to personally thank you and wish you well into the millennium."

Ray and Gina Stanley, Sellers of 25 acres

"Before anymore time slips away, I wanted to write you and let you know how much I appreciate all your work on the Black Road property. You continued to advertise for me for the entire lo-o-o-o-ng time the property was on the market and you also stayed cheerful throughout the rather unique escrow period Thanks Lauree, you're not only the best on the hill, but, you're simply The Best."

Lillian Martin, Seller of Pine Mountain Lake house

"Thank you so much for the great job you have done marketing our Mountain Vista properties. In a less than perfect market, you were able to market our properties so fast that we actually pulled one off the market. And, great agent that you are, you even brought us a great offer on that one!"

We have known you and worked with you for years and picked you to market our properties because you are the best! Nice to find you are fun to work with as well.

Again, we thank you. As retired Realtors we could have marketed our properties ourselves. We are so glad that we had you sell our properties for us as you got us top dollar. If we had tried to market them ourselves we would not have asked enough money. Employing you did not cost us anything, it made us lots of money and made our lives so much easier. When we sell the rest of our properties, you will be our 'Beloved Agent'. Thanks again."
